“Ocean Township’s Got Talent” Update

Regene Odon, our first place winner in the “Ocean Township’s Got Talent” Variety Show, held at OTHS on November 6th, has applied for audition on television’s American Idol. There were at least 3,000 other participants in NYC the day he attended. He was advised that he’ll be notified by the first week of February if he was accepted to “officially” audition. Keep your fingers crossed for this dynamic Ocean resident. We’re rooting for you, Regene!

Betsy Sciciliano, being greeted by the Chamber’s Penny Daniels, as she dropped off gifts to the Chamber offices.

A small portion of the gifts donated for the Adopt A Family Program.

Adopt-A-Family Program

Many of us enjoyed the holiday season by giving gifts to family and friends. Great satisfaction is gained when we see happy faces enjoying a holiday feast or watching eyes light up when a special gift is received.

While we hoped the phrase “Happy Holidays” was true for all, in reality it just isn’t the case. Some families view the holiday season with dread and despair.

The “Adopt-A-Family” program, run by the Greater Ocean Township Chamber of Commerce, has been an overwhelming success for many years. Families are identified by the schools to assure they are in legitimate need. The families come from all walks of life - some live in single-family homes and are barely hanging on because of illness or

unemployment. Others are placed in motels by social service agencies or live in barren apartments.

As the holidays approached, many Ocean Township organizations, businesses, students and individuals joined efforts to help those who are less fortunate. One family, Betsy Sciciliano and her husband, Tim, delivered a large donation of gifts her family made to the Chamber’s Adopt A Family program. Betsy and her son, Ryan, a freshman at RBC, enjoyed their holiday shopping trip, as together they selected gifts for the family they adopted.

Our Chamber would like to extend our grateful appreciation to all who generously participated in making holidays happier for so many families this year.
